Our own brew...

Some may know, some may not, but here at The Royal Standard we brew our very own beer!

We call it the '**dt's**' - a little play on words...the dreaded 'delirium tremors' and our local postcodes.

We currently brew two ales, dt3 (3.5%) and dt4 (4.5%). Please ask at the bar for a taster!

We felt it would be a great idea to use our very own ale in some of our locally sourced, homemade offerings.
